

Mission

- Seek to bring lasting change to the lives of the most disadvantaged young people aged 14-25 to enable a positive transition to adulthood

Core Ambitions

- To promote and empower young people as powerful forces for change, and ensure their voices are heard in matters that affect them
- To achieve social impact beyond our immediate partners in pursuit of a fair and just society

Strategic areas of work

- Funding outstanding youth organisations working directly with 14-25's
- Initiatives that give young people a stake in society and support their own social change efforts
- Influence policy on behalf of this age group
- Working with the wider funding community to share learning and improve grant-making

Ways of working

- Collaborate and partner with others in all areas of our work
- Critically assess what we do, adapting and innovating in response to what we learn
- Encourage, listen, consult and communicate frankly with those we fund
- Use all of our resources and knowledge in pursuit of our mission
