

Restart Youth

Work we supported in phase 1

In February 2021, Restart Youth young advisers made some initial grants to partners in order to test thinking and refine priorities.

Restart Youth has opened for a second 'phase' and the deadline is May 7th 2021. We look forward to hearing from you!

ASD Family Support, Wokingham	To set up a young people's committee, to voice young people's views in the development of the organisation's rebuild strategy. They will also advocate for the changing needs of young people with learning disabilities with the LA in their Covid strategy.	£9910
Audio Active, Brighton	To undertake a 6 month period of consultation with young people about what has changed for them and what they need now, led by young artists from within the organisation . To result in creative output outlining what young people want from the organisation now	£9550
Britwell Youth and Community Centre, Slough	To start a regular, activity based youth group (online), providing young people with laptops so they can take part virtually, with regular weekly meetings for 6 months. Through the group activities to discuss young people's changing needs and what they want from the centre post Covid	£9344
Mandala Theatre Company, Oxford	To train and work with a group of 12 young people to evaluate a digital festival that will be held between Mandala young people and young people from Palestine in June '21, on activism and the arts. The evaluation will culminate in video output and recommendations which will influence Mandala's digital delivery in future	£9865
No 5 Young People, Reading	A youth-led, wide ranging, structured, three-stage consultation and listening exercise with young people they are not working with, led by the youth	£7673

	ambassadors. To use the results to inform the new organisational strategy post Covid	
The Roberts Centre, Portsmouth	During Covid, young people have voiced a need for two new services: increased mental health support, and opportunities for employment. The centre will co design these new services with young people. Also to co-design the role of young people in the governance of the organisation, long term	£10000
Wealden Works, Heathfield	To take forward specific pieces of work coming from young people in response to their needs changing due to Covid- a live chat open more hours (instead of traditional phone support); group based sessions for participants; and becoming an accredited centre	£5705

April 2021
